

Auchinairn Early Years Centre

Fair Trade Policy

At Auchinairn EYC we are committed to supporting Fair Trade wherever possible. Fair Trade is about guaranteeing a better deal for farmers in poorer countries who grow the things we eat and use every day.

Our centre endeavour to:

- Use Fair Trade products as much as possible
 - ✓ In the staffroom and at meetings
 - ✓ In snacks for the children and staff
 - ✓ In cooking and sports activities
- Incorporate learning about Fair Trade at least twice a year
- Take action for Fair Trade with parents/carers/community including Fairtrade Fortnight by:
 - ✓ Raising awareness e.g. via wall displays and leaflets
- Ensure that Fair Trade is part of ECO school initiative
- Engage with the wider Fair Trade movement in East Dunbartonshire, mainly through the Fair Trade Nurseries Working Group.

Please see Learning for Sustainability Policy for more information.

This policy has been updated following consultation with staff/parents/carers.
